

Attorney Docket No. JACO-006

REMARKS

Claims 1-7, 9-17, 19, 20 are pending in this Application with Claims 1-7, 9-10, 21 allowed, with Claim 18 deleted and with Claim 11 being amended. No new matter is added by way of these amendments, and the amendments are supported throughout the Specification and the drawings.

Pursuant to paragraph 7 of the Official Action, Claims 1-7, 9-10, 21 have been allowed. Pursuant to paragraph 8, the Applicant has amended the limitations of Claim 18 into independent Claim 11. Independent Claim 11, along with its respective dependent claims, is respectfully submitted to be in condition for allowance.

In light of the foregoing amendments and remarks, early reconsideration and allowance of this application are most courteously solicited. Should the Examiner consider necessary or desirable any formal changes anywhere in the specification, claims and/or drawing, then it is respectfully asked that such changes be made by Examiner's Amendment, if the Examiner feels this would facilitate passage of the case to issuance. Alternatively should the Examiner feel that a personal discussion might be helpful in advancing this case to allowance, they are invited to telephone the undersigned.

Respectfully submitted,
